## **((Admission Instructions and Conditions))**

1- The applicant should be graduate of secondary school or equivalent school.

2- Previous year`s graduates of secondary schools are allowed to apply according to the university`s admission plan.

3- Applying the form does not guarantee the student`s admission.

4- If the first choice is dropped, the second one would be selected according to the competition average as mentioned in item (10).

5- After the announcement of admissions, the applicant should submit the secondary school certificate approved by the Directorate of Education.

6- The applicant is considered as a regular registered student after the tuition being paid and the university letter of admission being issued.
